Jarvis laminate adjustable keyboard tray

Assembly instructions

For assembly assistance, call 888-508-3725 or email support@fully.com
Cautions

Read the entire instruction manual before you start installation and assembly. If you have any questions regarding any of the instructions or warnings, please contact Fully for assistance.

Use with products heavier than the rated weights indicated may result in instability causing personal injury.

Always be sure the tilt adjustment clamp lever is secure before use. Avoid placing extraneous items on the keyboard tray.

Mounts must be attached as specified in assembly instructions. Improper installation may result in damage or serious personal injury.

Safety gear and proper tools must be used.

Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.

Use the mounting screws provided and DO NOT OVER TIGHTEN mounting screws.

This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.

This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

Important: Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, telephone your local distributor for a replacement.

Maintenance: Check that the bracket is secure and safe to use at regular intervals (at least every three months).
